How To Slay A Giant With What You Already Have  
Thursday, January 14, 2021

Think about the biggest giant in your life right now

Now think about why you haven't been able to take it down

Are any of those reasons about what you don't have?

Is there something you're focused on that you need in order to take your giant down?

Like, if I just had this then I could do this?

Anytime you start something focused on what you don't have you're starting from a deficient, from a negative, from lack.

But God never intended you to start from a deficit.

Because there are more with you than there are against you.

Let's look at the story of David and Goliath.

I wonder what his brothers and 'em were waiting on for the 40 days as the Giant came and called them out.

What did they think they needed in order to fight the giant?

Let's look at what they had -

They had motivation.

1 Sam 17:25

"The king will give great wealth to the man who kills him. He will also give him his daughter in marriage and will exempt his family from taxes in Israel."

If you know about motivation, it's external, it is a push

Where inspiration, is internal, it's a pull

What else did they have?

They had armor.

So they had their tools.

They even had access to Saul's armor.

Verse 38-39 says

Then Saul dressed David in his own tunic. He put a coat of armor on him and a bronze helmet on his head. 39 David fastened on his sword over the tunic and tried walking around, because he was not used to them.

So they had tools to fight with and motivation, but it wasn't enough.

Now, we know David took the giant down.

What did David have?

David had inspiration -

v. 32

David said to Saul, "Let no one lose heart on account of this Philistine; your servant will go and fight him.

v. 35

You come against me with sword and spear and javelin, but I come against you in the name of the Lord Almighty, the God of the armies of Israel, whom you have defied. 46 This day the Lord will deliver you into my hands, and I'll strike you down and cut off your head. This very day I will give the carcasses of the Philistine army to the birds and the wild animals, and the whole world will know that there is a God in Israel. 47 All those gathered here will know that it is not by sword or spear that the Lord saves; for the battle is the Lord's, and he will give all of you into our hands.

We also know that he had a sling.

Something he already had.

But one last thing he had.

Starting in verse 33

Saul replied, "You are not able to go out against this Philistine and fight him; you are only a young man, and he has been a warrior from his youth."

34 But David said to Saul, "Your servant has been keeping his father's sheep. When a lion or a bear came and carried off a sheep from the flock, 35 I went after it, struck it and rescued the sheep from its mouth. When it turned on me, I seized it by its hair, struck it and killed it. 36 Your servant has killed both the lion and the bear; this uncircumcised Philistine will be like one of them, because he has defied the armies of the living God. 37 The Lord who rescued me from the paw of the lion and the paw of the bear will rescue me from the hand of this Philistine.

He had belief and confidence.

And this is what the others did not have.

You already have this.

What you need is within, it's not outside of you - the motivation, the tools.

You have to believe at your core in your sufficiency.

That God has already given you everything you need.

You won't take your giant down from a place of lack.

Let's look at one of my fave verses.

Mark 11: 23-24

Jesus clearly outlined the steps on how to take down a giant/a mountain
